

DISPATCH		SECRET	
Chief of Station, JMWAVE		RETURN TO CIA Background Use Only Do Not Reproduce	
FROM: Chief, Western Hemisphere Division		SUBJECT: [REDACTED]	
24 [REDACTED] photographs from [REDACTED] to be shown ANIMUG/1.			
24 [REDACTED] attached for JMWAVE's retention are 13 packets of photographs obtained from [REDACTED] in Mexico City to be shown to ANIMUG/1 for possible identification. The reel numbers are listed below. In cases where ANIMUG/1 does identify an individual please notify headquarters citing the number on the back of each photograph (the first number refers to the printing job number, the second, the reel and the last, the frame on the reel). There are a few photographs where there is no number or a duplication in numbering. In such cases, please forward the print to headquarters and we will make whatever prints are necessary and return it to you.
